## Park Information

### Getting around...

The Island Line train service operates from Ryde Pierhead round the east coast of the Island, down through to Shanklin – directly linking with both Ryde passenger ferry services, providing a through service from London Waterloo.

The Island also has a comprehensive bus service visiting most towns, villages and places of interest and there are local bus stops approximately 2-3 minutes' walk from the resort.

### Stay connected...

There is Wi-Fi covering much of the park.

### Looking for somewhere to plug in?

Currently there are no EV charging points here, but it's something we're looking into.

**Reduce, reuse, recycle...**  
Please help us to protect the environment

Use the designated bins around park for mixed recycling, glass and general waste, and we recommend that you turn off the lights each time you leave the room.
